Product Description

Product Description:

Used Tractor Trucks

Are you in the market for a reliable and affordable tractor truck? Look no further than our selection of pre-owned tractor trucks. With a focus on quality and affordability, we offer a range of reconditioned tractor trailers to fit your needs and budget.

Date Of Manufacture: 2014-2019

Our pre-owned tractor trucks were manufactured between the years of 2014 and 2019, ensuring that you are getting a relatively new and well-maintained vehicle.

Drive Type: 6x4 Or 8x4

We offer a variety of drive types for our pre-owned tractor trucks, including 6x4 and 8x4 options. This allows you to choose the best option for your hauling needs.

Fuel Type: Diesel

All of our pre-owned tractor trucks run on diesel fuel, providing you with a powerful and efficient ride.

Emission: Euro II - Euro V

Our pre-owned tractor trucks meet various emission standards, ranging from Euro II to Euro V. This ensures that you are getting a vehicle that is environmentally friendly and compliant with current regulations.

Number Of Axles: 3 Or 4

Depending on your hauling requirements, we offer pre-owned tractor trucks with either 3 or 4 axles. This allows you to choose the best option for your specific needs and load capacity.

Pre-owned Tractor Trucks for Sale

Our selection of pre-owned tractor trucks is constantly changing, so be sure to check back frequently for new additions. We thoroughly inspect and recondition each vehicle to ensure that you are getting a high-quality and reliable truck.

Reconditioned Tractor Trailers

Not only do we offer pre-owned tractor trucks, but we also have a selection of reconditioned tractor trailers available. These vehicles have been thoroughly inspected and refurbished to provide you with a like-new driving experience.

Overall, our pre-owned tractor trucks offer a cost-effective and reliable solution for your hauling needs. With a variety of options available and a focus on quality, we are confident that you will find the perfect truck for your business. Browse our selection today and find your next pre-owned tractor truck.

Applications:

Used Tractor Trucks - HOWO

Whether you are a construction company, a logistics company, or a farmer, having a reliable and efficient tractor truck is essential to your business. That's why we offer a wide range of used HOWO tractor trucks that are perfect for various applications and scenarios.

Product Description

Our used HOWO tractor trucks are reconditioned and refurbished to ensure that they are in excellent working condition. They are previously-owned and have undergone rigorous quality checks to meet our high standards. These second-hand tractor trucks are a cost-

effective alternative to buying new ones, allowing you to save money without compromising on quality.

Applications and Scenarios

Our used HOWO tractor trucks are suitable for a variety of applications and scenarios. They are ideal for transporting goods, equipment, and materials on roads, highways, and construction sites. They can also be used for agricultural purposes, such as towing trailers and plowing fields. With their powerful engines and sturdy build, our tractor trucks can handle heavy loads and tough terrains.

Product Attributes

Brand Name: HOWO

Why Choose Our Used Tractor Trucks?

High-Quality: Our used HOWO tractor trucks are thoroughly inspected and refurbished to ensure that they meet our strict quality standards.

Cost-Effective: Buying a used tractor truck is a more affordable option compared to purchasing a new one, allowing you to save money while still getting a reliable vehicle.

Wide Range of Options: We offer a variety of models and configurations to suit different applications and preferences.

Efficient Performance: Our tractor trucks are equipped with powerful engines and advanced transmission systems, ensuring efficient and smooth operation.

Excellent After-Sales Service: We provide excellent after-sales support to ensure that our customers are satisfied with their purchase.

Conclusion

Our used HOWO tractor trucks are a perfect combination of quality, reliability, and affordability. With their versatile applications and sturdy build, they are the ideal choice for various industries and businesses. Don't hesitate to contact us for more information and find the perfect tractor truck for your needs.

Packing and Shipping:

Packaging and Shipping for Used Tractor Trucks

Our used tractor trucks are carefully packaged and shipped to ensure they arrive at their destination in excellent condition.

Packaging

Each used tractor truck is thoroughly inspected and cleaned before being packaged. It is then placed on a sturdy pallet and securely wrapped with shrink wrap to prevent any damage during transit.

Shipping

We offer both domestic and international shipping options for our used tractor trucks. We work with reliable shipping partners to ensure timely and safe delivery of your purchase.

For domestic shipping, we use ground transportation services that provide tracking information so you can keep an eye on the progress of your shipment.

For international shipping, we work with air and sea carriers to offer the most efficient and cost-effective options for our customers.

Once your used tractor truck is shipped, we will provide you with a tracking number so you can monitor the progress of your delivery.
